Summary

Fresher and B.Tech Computer Science student, actively looking for an internship and an entry-level job opportunity as a Java / Software Developer. I want to start my career with a team where I can contribute, learn from experienced developers, and grow into a strong software engineer. Quick learner, hardworking and dedicated; I enjoy solving problems, work well in a team, and communicate clearly. I am honest, consistent, and always ready to learn new technologies — and I learn best by building real projects and finishing what I start.

Quick Learner | Hardworking | Problem Solver | Team Player | Good Communicator | Dedicated & Consistent
